## Helping You Achieve Peak Performance

"Sylvia did an exceptional job presenting to our group. The effort she made to understand who we are and the needs of our team was extraordinary. Her preparation was diligent and her presentation was highly engaging and personalized."

~ *Maralyn L., Safety Fellow, UPenn Perioperative Department*

"Your talk was fantastic. Not only did you engage and inspire a diverse audience, but the way you delicately (and seemingly effortlessly!) wove elements of our conversation into your talk was fabulous. Your tone was really on point for our crowd - resonating with humanity, humility, pragmatism and humour - but grounded in solid intelligent content."

~ *Tiffany M., Director of HR, Doctors Without Borders, Canada*

"Thank you so very much for an inspiring and captivating presentation. As you've already heard from others, you were wonderful and it was a pleasure having you at our event."

~ *Neena B., IT Officer, World Bank*

"Sylvia is a consummate professional and uniquely connects with her audience in every possible way. She was very well-prepared, shared great stories related to life and the program content, and was right on message with everything for our Corporate Retreat. The Corporate Team loved her. Without question, we would have Sylvia come back!"

~ *Kenneth S., Director of HR, Somatus Inc.*
